

Wandsworth Safeguarding Children Partnership Executive Terms of Reference January 2023

INTRODUCTION

Safeguarding for children in Wandsworth is led by three named statutory partners. Legislation states that the lead representatives from each of the three safeguarding partners are “the local authority chief executive, the accountable officer of the Integrated Care Board (ICB), and a chief officer of police” (Working Together to Safeguard Children 2018, p74).

The guidance allows the lead representatives to delegate their functions, although they retain accountability for any actions or decisions taken on behalf of their organisation. Each of the safeguarding partners has delegated to senior officers the authority to speak on behalf of the lead officer they represent. The delegates can make decisions on behalf of their organisation and commit them on policy, resourcing, and practice matters, and hold their own organisation to account on how effectively they participate in and implement the local arrangements.

Working Together to Safeguard Children 2018 recognises the importance of schools and colleges in safeguarding arrangements. The Executive works closely with all the borough’s schools, further education colleges, early years providers, alternative providers, and special schools and Headteacher representatives from primary and secondary schools. On the Executive, there is one primary school place and one secondary school representative as Advisory Standing Members.

VOICE OF THE CHILD

Safeguarding children is every body’s priority and the voice of the child is centre to the work and therefore the executive through the participation lead will receive feedback from children and young people and seek advice through focused strategic items.

ANTI-RACIST / DISPROPORTIONATE PRACTICE - EQUALITY /DIVERSITY

The Executive will take strategic lead and with subcommittees/groups address and reassure each other what is happening in each agency and as a partnership will act as appropriate.
